

**ENERGIZE
DELAWARE**
TAKING CHARGE TOGETHER.™

LIMITED TIME OFFER INCREASED INCENTIVES

**Improve your comfort, increase energy efficiency
and lower your utility bills.**

Energize Delaware is now offering increased incentive amounts for Home Performance with ENERGY STAR® and Assisted Home Performance with ENERGY STAR projects.

Home Performance assessments reduced from \$100 to \$50; Assisted Home Performance assessments reduced from \$50 to \$25.

*Income requirements necessary.

Air sealing is one of the most effective energy reducing steps a homeowner can take. For a limited time, the incentives for air sealing are increased from 50%, up to 75% of the cost.
